FOR IMMEDIATE RELEASE:

Mutual of Omaha Bank to Open New Full Service Location in Houston's Med Center

(Houston, TX) – An office strategically located in Houston's Med Center district will soon become Mutual of Omaha Bank's second full-service community bank location in Houston, Houston Market President Mike Turner announced.

Mutual of Omaha Bank has leased 5,400 square feet on the main level of the building, located at 7515 Main St. The location will feature a full menu of financial solutions for individuals and businesses, including personal banking, mortgage lending, business banking and wealth management solutions. Plans call for Mutual of Omaha Bank to occupy the space as a full-service community bank in late January 2012.

“We view this move as a tremendous step in a market that is home to one of the largest medical centers in the world, dozens of leading hospitals and medical agencies, as well as several colleges and schools of medicine,” Turner said. “Our private banking group, led by veteran banker Teresa Harris, will be based out of this location in an effort to best meet the banking needs of the Houston medical and business communities.”

Mutual of Omaha Bank is a full-service bank providing financial solutions to individuals and businesses across the United States. With expert banking talent and more than \$5 billion in assets, Mutual of Omaha Bank is one of the fastest-growing banks in the nation. It is a subsidiary of Mutual of Omaha, a leading insurance and financial services company since 1909. For more information about Mutual of Omaha Bank, visit www.mutualofomahabank.com.
